

Press Release 27: Maaswinkel in the EBT Masters 2009

Marilyn Planchard from France has for personal reasons decided to pull out of the EBT Masters 2009 and the next on the list, Zara Glover from England, was unable to jump in because of an important family gathering too close to the event.

It opened the door for Priscilla Maaswinkel from The Netherlands, who, after a few days needed to get everything to fit on the home field, just announced that she is ready to play.

The EBT Masters 2009 will be conducted in Lovvang Bowling Centre, Aalborg - Denmark on 25-26 May 2009, just after the conclusion of the EBT 2009 Stop 07, the Brunswick Aalborg International 2009. More details about the EBT Masters 2009 are available at www.bai2009.dk.
