## Tasks

ETBF's Education and Technical Committee's aim is to increase the level of bowling knowledge, to help developing new bowlers for our sport and to improve the level of the competition environment.

Accordingly, the Committee provides coaching and technical clinics for all ETBF member federations, they conduct inspections for our championship venues and they provide lane inspection service for bowling centres.

## Programs

### Coaching Programs

It is our goal to follow ENSSSHE's (The European Network of Sport Sciences in Higher Education) 5-level structure for the recognition of coaching qualifications in EU.

- ETBF Level I Coaching Program
- ETBF Level II Coaching Program
- ETBF Level III Coaching Program
- ETBF Level I and II Instructor Programs

### Technical Programs

- ETBF Technical Certification Program (Lane Certification)
- ETBF Lane Maintenance Program
- ETBF Ball Drilling and Proshop Management Program

### Other Programs

- ETBF Referee Training Program
