Tournament tie rules

Phase 1,2 & 3Bis

In case of a tie, the highest ranked team will be the team with the highest last game. If a tie still exists, the highest ranked team will be the team with the highest second last game, then the team with the highest third last game etc.

Phase 3

If there is a tie in points after the 2 games, both teams present a first player, and with a single throw, the player who knocks down the most pins wins the match. If there is another tie, we continue with a second player for an additional throw. If there is another tie, we continue until they are separated.
